THE MINISTER OF STATE (INDEPENDENT CHARGE)

(a): Department of Industrial Policy & Promotion (DIPP) under Ministry and Commerce and Industry administers 'Modified Industrial Infrastructure Upgradation Scheme (MIIUS)' for development of industrial clusters in the country. 23 projects have been sanctioned during the last three years. A list of sanctioned project is enclosed at Annexure-I. Though no projects have been sanctioned in Gujarat and Maharashtra under MIIUS, however, four projects have been completed in these States during the last three years under Industrial Infrastructure Upgradation Scheme (IIUS)/Recast IIUS-2009 guidelines as per details given below:
<pre>

Sl. No. Name of project State Date of Approval Project Cost
(Rs. crore) Central Grant

1 Gems & Jewellery Cluster, Surat Gujarat 04.11.2004 61.00 45.61 31.12.2014

</pre>

(b): The details of funds provided by DIPP to State Government Agencies during the last three years, State/UT-wise are given at Annexure-II.

(c): The MIIUS was notified for taking up new projects in the 12th Five Year Plan Period upto 31st March, 2017. Now, DIPP is in process for introduction of new industrial cluster scheme from 2017-18 to 2019-20. After notification of the scheme, project proposal would be invited from all States. Hence, the number of industrial clusters which will be undertaken under new scheme is not known as the same will depend upon project proposals received from different States in the country.
